Eager sea lions grabbed the main killer whale from behind when he first entered the harbour, dragging the 85-kilogram beast from the water and lifting it into the air.Somali government to finalise law on smuggling fuel imports Author: Bajar Mohamed Published: 18 October 2017 Somali government has declared that it would set out the details of the new law against fuel smuggling in the coming days. Some supplies of fuel have been smuggled into Puntland during October and into South Central and South West regions The Somali government has promised to introduce a new law to clamp down on fuel smuggling in the country. Somali President Mohamed Abdullahi Yumnur, who spoke at a Unity Day ceremony at the Al Hudur Provincial State in Puntland Governorate on Saturday, has warned about the need to secure supplies of the essential commodity for the country. He urged the country's leaders and communities to contribute in ensuring the country gets adequate supplies of fuel, the Associated Press of Somalia (AAS) reported. Somali President Mohamed Abdullahi Yumnur at the Unity Day ceremony for Puntland-based MPs. PHOTO: MOHAMED KARADIYE He said smuggling of fuel deprives the state of resources for various critical development projects including combating insurgency, famine and emergencies. He also called on the government to form a technical committee to work on establishing the details of the new law against fuel smuggling. Mohamed Abdi Mohamed, a Governor of South West State in Hargeisa, said that about ba244e880a
