feedback is greatly appreciated! “Free product keys”. A: It seems that you got a boot screen with a message like this (English text): You’ll be offered to buy a Windows 8.1 license key as soon as you click “Install or Upgrade”. I'm not a native English speaker, but I believe it is in your right to contact Microsoft via the Contact Microsoft page if you wish to get a refund and a new product key, at the very least, until the "Free product keys" period ends, i.e. at least one month after this message. A: I suggest trying to install Windows 8.1 a couple times if your PC cannot activate with the Windows Store just to see if that helps. The activation screen will be
