Gullveig's story in Old Norse mythology & its anti-cosmic connection. Thursatru-Gullveig. Author: Munin. Gullveig is the wife of Odin in Norse mythology. When her husband, the god Odin, went on a feat of arms, during his absence he handed over to her for storage in Valhalla his magic spear, which could bring him victory or death. When Odin returned from the campaign, he asked Gullveig for a spear, which she now returned to him. After that, Gullveig turns into a beautiful sea maiden.
